

Learning Seminar Title	Learning Seminar Description	Portrait of a Graduate
PAWS (pets and wildlife seminar)	Come meet and learn all about Crosby the Guinea Pig. Experience the joy Crosby brings to the classroom.	Global/Ethical Citizen
Eco Projects	Work on environmental projects that impact your school community. Design and build bird house, suets, and engage in other eco-projects.	Goal-Directed/Resilient
Eagle Minds Matter	Come join us to learn more about keeping our minds healthy and to help spread this message to others.	Goal-Directed/Resilient
KJMS Helpers	Participate in community service projects!	Global/Ethical Citizen
Dragon Keeper Training	Learn how to care for our bearded dragon and create toys for them.	Creative/Critical Thinker
Junk Journals	A Junk Journal is a handmade book of recycled and found materials and ephemera. The pages can be used to write, draw, paint or record memories, thoughts, ideas, and inspiration. The finished junk journal can become anything you want.	Creative/Critical Thinker
Minatures and Models	Do you want to be creative and make a tiny room? Work to create your very only teeny tiny room, model, diorama, or scene with various materials. Note: this is a little different than the last session of Minatures and Models.	Creative/Critical Thinker
Movie Easter Egg Hunts	Are you interested in Marvel, DC, and/or Star Wars and want to search for Easter Eggs in scenes from these popular movies and tv shows? Come break down scenes of your favorite superhero and sci-fi movies/tv to find deeper meaning and geek out over the connections we can make!	Communicator
Band Practice in the Roomy Room	Practice space for all band students. Come and play with a friend!	Goal-Directed/Resilient
Ping Pong/Table Tennis	Get some stress relief by playing ping pong/table tennis. We use the cafeteria tables as well as one regulation table for doubles.	Collaborator
Drawing Prompts	Do you love to draw, but often get stuck for ideas? Then this is the LS for you! I will give you a new prompt every session. You will have access to various drawing materials and watercolors.	Creative/Critical Thinker
Crochet and Knitting for all levels	Come learn to create in the yarn arts, or if you already know how to knit or crochet, come work on fun projects!	Goal-Directed/Resilient
Taskmaster	Inspired by the British Show Taskmaster, test your creativity and wit against your friends in a series of unusual but fun challenges. You'll never know what you have to do next! Are you up to the task?	Collaborator
Exercise	Do want to keep away the fall or winter blues? Join the exercise crew to get your mind focused and heart pumping!	Goal-Directed/Resilient
LEGO Robotics	Build and code awesome LEGO Robotics creations!	Creative/Critical Thinker
Science Matters	Exploration & guidance for topics in life science and physical science. Students with strong science interest are encouraged to come help with peer tutoring for our KJMS friends needing extra help in Science 7 & Science 8	Collaborator
VMEA Prep	Students enrolled in Bella Canzone will rehearse to prepare for their performance at VMEA	Creative/Critical Thinker
Creative Writing	Unleash your creativity with Creative Writing. Dive into a world of words, imagination, and poetry as you explore the art of storytelling and the rhythmic beauty of verse. Whether you're a seasoned wordsmith or a budding poet, our course welcomes all skill levels. Join a community of young writers, share your stories and poems, and embark on a journey of self-expression and creativity. Secure your spot now and let your words and verses come to life!	Creative/Critical Thinker
Fantasy Soccer (BPL)	Hey there! I'm thrilled to let you know that I'm organizing a soccer fantasy league class (BPL) and organized soccer matches outside, that promises to be a fun-filled experience. It's an event you wouldn't want to miss, and I hope you will be a part of it.	Creative/Critical Thinker
Typing Club	Type like a pro by learning the hand position on the keyboard and playing typing games.	Goal-Directed/Resilient
Zen Drawing	No-stress drawing techniques for relaxation	Creative/Critical Thinker
Painting & Music	Would you like to make your world more colorful as you listen to your favorite music? Then come over and create wonderful art work with dry erase markers while you listen to your inspiring songs. Please bring your laptops and headphones. I will provide you with white boards and more.	Communicator
Chess	The first half of the learning seminar will be focused on learning the roles of the chess pieces and openings. The latter half of the learning seminar will be focused on tournaments.	Creative/Critical Thinker
K-pop Dance	Do you like kpop? Come join us for kpop dance class! Together, we'll learn new kpop dance moves whether you're a beginner or pro!	Goal-Directed/Resilient
Film Studies	Want to learn more about film? Join us as we learn about how films are made, the different ways of filming scenes, and different styles of movies. We might even make our own short films by the end of the LS.	Creative/Critical Thinker

Model UN club research and simulation assistance	This class is set up for members in the Model UN club to help with their current simulation research and or to prepare for their upcoming conference in December,	Creative/Critical Thinker
SCA	Are you interested in joining student council? Student council is a place for you to share your thoughts and ideas for KJMS! Join us to plan upcoming spirit weeks, pep rallies, and more!	Goal-Directed/Resilient
The Upcyclers	We are working on projects that take discarded items and make them into something amazing for others. We have a couple projects in the middle of completion and are working to discover more projects around the school. You must be willing to paint, sew, and think outside the box! We will teach you the skills- you bring the energy and ideas.	Creative/Critical Thinker
Tournament Chess	We play weekly tournaments using chess.com . You are expected to come in and know how to play chess, and how to play it online. THIS IS NOT FOR BEGINNERS	Creative/Critical Thinker
Eagle's Post Newspaper	Report all the news that's fit to print both inside and outside the school. We need writers, editors, artists, and more.	Global/Ethical Citizen
Basketball	Basketball time in the 7th grade gym. We create teams and work our way up to a March Madness style tournament.	Collaborator
Beginning Sign Language	Start learning how to use sign language to communicate and practice with other students!	Communicator
Exploring Arts & Crafts	Are you used to drawing with pencils but want to learn how to paint? Do you have experience with creating art on paper but want to explore a 3-D option? Join this art seminar to explore all of the different mediums artists use to create their masterpieces!	Creative/Critical Thinker
Futsal	We will have students use past skills and knowledge to have an opportunity to grow in their futsal skills, teamwork, and make new friends!	Collaborator
Karaoke	Do you like to sing? Come join us and have some fun doing Karaoke. No need to be a good singer. All levels of talent are welcome to participate!	Communicator
Learn to Hand-Sew Embroidered Patches	Learn to hand-stitch simple images & letters on a piece of fabric to create an embroidered patch! You will learn basic stitches, and then you'll have time to explore making whatever designs interest you. You'll keep the patches that you create: you can hang them in your room, pin them to a bag, or (with parental permission) iron them onto a bag or piece of clothing!	Creative/Critical Thinker
Gamers Unite!	Want to collaborate with other like-minded gamers in a relaxed environment where you can truly showcase your skills? This is your chance to critically think through your favorite digital game currently in Gamers Unite!	Collaborator
Advanced Crochet	Do you already know how to crochet and want a relaxed environment to work on projects? This is the LS for you! Bring your yarn and hooks, and let's get to making!	Creative/Critical Thinker
Super Smash Brothers	Work on your skills and make new friends by playing the classic video game Super Smash Brothers!	Communicator
Just Dance	Just Dance! Do you feel stressed out during the school day? Did you know that having a movement break during the day has many benefits - not only can it help decrease stress and anxiety, it can also help increase focus and build opportunities for community building and fun. So, join us and let's Just Dance together!	Goal-Directed/Resilient
Games Corner	Enjoy playing card games and board games with friends.	Collaborator
Dungeons and Dragons	Are you a wizard or a rogue? An archer or a brawler? If you love to play live action role playing games, then this is the place for you. Come to a fantasy far away place and play D&D with friends. Imaginations required!	Collaborator
Games Galore	Grab some friends and play some board, party, trivia Games, and card games. Play some old favorites, or discover your next favorite game. This is NOT a place to play computer games. Give your eyes a break from laptops.	Collaborator
Friendship Bracelets	Learn how to make colorful friendship bracelets out of string!	Creative/Critical Thinker
