

Dear Parents and Guardians:

The KJMS Tech Team would like to thank you for a wonderful year! We never had to hand out more than 5 loaner laptops on any given day because your students were responsible and remembered to bring theirs!

The 3 options for returning the student laptop to the school:

- 1) Students not participating in a summer learning program **must** return the FCPS laptops and chargers during lunch on June 8th and 9th
- 2) If your student is participating in a summer learning program **AND** will be attending KJMS for the 22-23 school year, they will keep and use that laptop for the 22-23 school year
- 3) If your student is participating in a summer learning program and **NOT** attending KJMS for the 22-23 school year, you **must** return the laptop before August 5, 2022. We will contact you later this summer with drop-off dates and times.

The cost of the student FCPS laptop is \$481.00. If your student is not attending KJMS next year and we do not receive the laptop back by August 5, 2022, you will receive an invoice for that amount.

Thank you!

-Kelsea Owens and Danny Mikhail
