

# School Year 2024-25

## SAVE THE DATES for SIBSHOPS!!!

An exciting workshop for students who have a brother or sister with support needs (with a disability).

Sibshops is a community-building group for students who have a sibling with support needs. We have fun activities, both recreational and art-based, as well as discussion activities. It's an opportunity for students to share about their lives and support each other while normalizing their life experiences. Sibshops is a place where participants will feel validated and understood and can build upon their community of support.

**Sibshops are for students in grades 2-6 enrolled in Fairfax County Public Schools who have a sibling with special needs**

### Sibshop Dates/Locations

2024

2025

Friday, October 4, 2024 – Jim Scott Community Center
